Art Calendars *and* Novelties

LET OUR SALESMAN see you with our line of Map Calendars, Art and Business Calendars, and Leather Novelties.

¶ It will pay you to send for him for our prices are low and our goods are exclusive and new. We make our own Calendars. We are Manufacturers, not jobbers. Buy of the producer and save agent's profits.

Our line of Leather and Aluminum Novelties has no equal.

¶ An attractive Calendar is an advertisement of at least a year's standing ∴ Compared to even a single insertion of your ad in a newspaper the expense of a fine calendar is exceedingly small ∴ Why not order now from our superb Line, which we shall be pleased to show you at any time? A competent salesman is always ready to call on you.
